Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Monday 31 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny but haar lingering for Angus and Fife coast Tuesday.

This Evening and Tonight:
A fine end to the day with plenty sunshine away from the east coast, but haar could push inland later in the evening and overnight, becoming quite extensive by dawn. Minimum temperature 8 deg C (46 deg F).

Tuesday:
The haar will burn back towards the east coast, but could be slow to clear in Angus. Plenty sunshine again inland, the highest temperatures through the Trossachs. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Remaining dry, warm and sunny on Wednesday, although haar could affect the east coast. Still plenty of dry and bright weather on Thursday and Friday, but showery rain possible.
